

Expression of Interest for Empanelment of Agencies for Collection, Transportation,
Processing &
Disposal of Electronic Waste in UPSIDA Industrial Areas

Uttar Pradesh State Industrial Development Authority

**Expression of Interest for Empanelment of Agencies for Collection
Transportation Processing & Disposal of Electronic Waste in
UPSIDA Industrial Areas**

Issued by;

Uttar Pradesh State Industrial Development Authority

Address – UPSIDA Complex, A-1/4 Lakhanpur Kanpur-208024

DISCLAIMER

The information contained in this Expression of Interest (“EOI”) document or subsequently provided to Applicant(s), whether verbally or in documentary or in any other form, by or on behalf of UPSIDA or any of its employees or advisors, is provided to the Applicant(s) on the terms and conditions set out in this EOI document and all other terms and conditions subject to which such information is provided in writing.

This EOI document is intended to be and is hereby issued only to the prospective Applicants. The purpose of this EOI document is to provide the Applicant(s) with information to assist the formulation of their Proposals. This EOI document does not purport to contain all the information that each Applicant may require. This EOI document may not be appropriate for all persons, and it is not possible for the UPSIDA, its employees or advisors to consider the investment objectives, financial situation and particular needs of each Applicant who reads or uses this EOI document. The assumptions, assessments, statements and information contained in the EOI document may not be complete, accurate, adequate or correct. Each Applicant should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments, statements and information contained in this RFP document and where necessary obtain independent advice from appropriate sources. The UPSIDA, its employees and advisors make no representation or warranty and shall in no way be liable under any law, statute, rules or regulations as to the accuracy, adequacy, correctness, reliability or completeness of the EOI document.

Information provided in this EOI document to the Applicant(s) is on a wide range of matters, some of which may depend upon interpretation of law. The information given is not intended to be an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. The UPSIDA accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on law expressed herein.

The UPSIDA, its employees and advisors make no representation or warranty and shall have no liability to any person, including any Applicant under any law, statute, rules or regulations

or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this EOI document or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the EOI document and any assessment, assumption, statement or information contained therein or deemed to form part of this EOI document or arising in any way for participation.

The UPSIDA also accepts no liability of any nature whether resulting from negligence or otherwise.

How so ever caused arising from reliance of any Applicant upon the statements contained in this EOI document.

The UPSIDA may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumptions contained in this EOI document before the last date of bid submission.

The issue of this EOI document does not imply that the UPSIDA is bound to select an Applicant or to appoint the selected Applicant or Concessionaire, as the case may be, for the Project and the UPSIDA reserves the right to reject all or any of the Applicants or Bids without assigning any reason whatsoever.

The Applicant shall bear all its costs associated with or relating to the preparation and submission of its Bid including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by the UPSIDA or any other costs incurred in connection with or relating to its Bid. All such costs and expenses will remain with the Applicant and the UPSIDA shall not be liable in any manner what so ever for the same or for any other costs or other expenses incurred by an Applicant in preparation or submission of the Bid, regardless of the conduct or outcome of the Bidding Process.

Invitation for Expression of Interest for Empanelment of Agencies for Collection Transportation Processing & Disposal of Electronic Waste in UPSIDA Industrial Area

Uttar Pradesh State Industrial Development Authority (UPSIDA) thus invites “Expression of Interest” from the entities/ operators/ NGOs interested to show case their interest in collection, transportation processing & disposal of electronic waste in UPSIDA Industrial Area. The broad activities include but not limited to, carry out electronic waste management in residential, commercial, institutional, industrial area and also from the secondary e-collection bins located in UPSIDA Industrial Area. The implementation model shall include collection, transportation processing and disposal of e-waste in UPSIDA. The interested entities/ operators/ NGOs may then send their organizational profile along with the mechanism through which they wish to provide a feasible and sustainable solution along with the forms available in the EOI document uploaded in the UPSIDA website on or before **12.12.2024 before 5:00 PM**, on the following address:

Email address: upsidaei@gmail.com;

Website: www.upsida.com

The EOI document required to be submitted by the firms must include (i) Firms profile, (ii) Company registration certificate, (iii) GST certificate, (iv) Balance sheet (audited indicating average annual turnover in last 2years), (v) declaration on non-judicial stamp paper to the effect that the firm is not debarred from participating in any assignment funded by Government of India or State Government or PSUs (vi) Other documents as mentioned in the EOI document available in the website of UPSIDA.

The companies whose approach, technology, mechanism, methodologies, work experience and financial capabilities looks good shall be shortlisted for a presentation based on which future empanelment process shall be initiated. UPSIDA reserves the right to initiate or cancel the entire process without quoting any specific reasons at any stage.

EOI Data Sheet

S. No.	Particulars	Details
1	Name of Project	Comprehensive E-waste Management System for Collection, Transportation, Processing, and Safe Disposal in UPSIDA Industrial Areas
2	Authority's Project Representative	General Manager Uttar Pradesh State Industrial Development Authority UPSIDC Complex, A-1/4 Lakhanpur Kanpur-208024 ; Phone Number. 0512-2582851 Email: upsidaeo@gmail.com Website: www.onlineupsida.com
3	Proposal Submission Start Date	12.12.2024, 11:00 PM (1ST)
4	Last date for submitting response	27.12.2024, (05:00 PM 1ST). All interested participants are requested to send their documents and presentation to upsidaeo@gmail.com Contact: Mr . Deepak Sonkar, Asst Manager (Engg) Mb. No. 9044197166
5	Presentation Date	To be communicated via email
6	Response validity duration	180 days from the Last date of submission
7	EOI fee	INR 5000 The payment has to be made online through the available gateway on ETender portal www.etender.up.nic.in into the UP E-Tender On Line Account. Scan copy of payment to be submitted along with other documents over email and original to be submitted at the time of presentation.

1. Invitation for Expression of Interest

Uttar Pradesh State Industrial Development Authority ("UPSIDA" or "the Authority") invites Expression of Interest (EOI) for "Comprehensive E-waste Management System for Collection, Transportation, Processing, and Safe Disposal in UPSIDA Industrial Areas". Interested participants can download the document from the website etender.up.nic.in and submit their response in the prescribed formats duly filled and signed with required enclosures, via email superscribed in EOI Data Sheet.

2. Key Instructions

Interested participants should make note of the following key points:

- a) This EOI invitation document is not a Tender or Request for Proposal in any form and would not be binding on UPSIDA in any manner whatsoever.
- b) UPSIDA reserves the right to cancel the EOI invitation as a whole or in part without assigning any reasons.
- c) The participants are encouraged to conduct their own independent assessment, investigations and analysis and check the reliability, accuracy and completeness of the information at their end and obtain independent advice from relevant sources as required before submission of their response.
- d) UPSIDA encourages interested participants to contact UPSIDA headquarter, Kanpur for any queries.
- e) UPSIDA reserves the right to update, amend and supplement the information given in this document at its sole discretion before the last date and time of submission of the responses.
- f) Participants should submit their response in English language and as per formats provided in the last section of this document. Submission not conforming to the instructions or prescribed formats will be rejected.
- g) The key dates and information for the Project are given in EOI Datasheet.

3. Introduction

Swachh Bharat Mission (SBM) has added impetus to sanitation and waste management across India. In line with SBM, Uttar Pradesh State Industrial Development Authority has taken up multiple initiatives to improve sanitation and waste management activities. List of Industrial Areas can be obtained from website "<https://onlineupsida.com>"

Due to rapid growth in industrial areas, management of electronic waste is becoming a challenge. Therefore, it is required to implement sustainable electric waste management projects. UPSIDA intends to engage an end-to-end service provider for management of E-waste generated within various industrial areas of UPSIDA. The scope would include collection, transportation, processing and reuse/ scientific disposal of E-waste.

In view of this, UPSIDA wants to encourage firms that are involved in collection transportation and processing of waste on a smaller scale and self-sustainable model.

As per the E-Waste (Management) Rules 2016 *"e-waste' means electrical and electronic equipment, whole or in part discarded as waste by the consumer or bulk consumer as well as rejects from manufacturing, refurbishment and repair processes."*

E-waste can be collected in several categories as defined in the E-waste management rules such as laptops, mobiles phones, earphones etc. are as a whole or their spare parts. The segregated items can further break to its smallest unit level and make new products out of them. They can also extract precious materials from collected E-waste.

Objective

The key objectives of the project are as follows:

- a) Modern and scientific E-waste collection and transportation, processing, and disposal as per E-waste management rule 2016 & E-waste amended rules 2018 in Industrial areas of UPSIDA
- b) To effect behavioral change regarding healthy sanitation practices & good waste management
- c) Generate awareness about necessity of E-waste management.
- d) Capacity Augmentation of Authority in the desired sectors

4. Scope of Work

UPSIDA invites "Expression of Interest" from the entities/ operators/ NGOs interested to show case their interest in collection, transportation, processing & disposal of electronic waste.

The agency is required to carry out electronic waste management across residential, industrial, commercial, institutional areas and etc of Industrial areas of UPSIDA. In order to achieve it, the required agency has to develop a mechanism of collection, transportation and recycling / disposal in accordance with E-waste management rules, 2016 & E-waste amended rules 2018.

Intended scope for E-Waste Management include, but not limits to following activities.

- i. Collection of E-waste from designated collection points. Vendor will also be responsible to carry out IEC activities for awareness and behavioral change and encourage citizens for source segregation of e-waste
- ii. Mobilizing resources for collection, transportation and processing
- iii. Civil Construction of the treatment/ processing facility including land levelling, foundation, super structure etc.
- iv. Construction and operation of the processing facility using suitable technology
- v. Segregation of waste and selling it to authorized dealers vi. Sale of recovered material from the processing of waste
- vi. Ensuring tie ups/ adequate arrangements to disposing off hazardous waste
- vii. Storage facility for e-waste.
- viii. Setting up IT system for monitoring operations (CCTV, data management, digital weightment system etc.)
- ix. Vendor will be required to obtain necessary permissions/approvals from relevant authority for specific processes/machineries it proposes to use at the facility (as applicable)

A general overview of responsibilities is mentioned below:

Responsibilities of UPSIDA	Responsibilities of Vendor
<ul style="list-style-type: none"> i. Finalizing and earmarking land for setting up the project. ii. Facilitate the Concessionaire in obtaining requisite permits, approvals, NOCs etc. iii. Access road/ electricity/ water/ streetlight/ drainage/ sewer will be provided by the UPSIDA up to the Plot, if required. iv. Providing room in UPSIDA office for setting up control room, if required 	<ul style="list-style-type: none"> i. Deploy adequate number of equipment's and manpower for smooth execution collection, transportation, processing and disposal. ii. Establish market linkages for by-products from waste processing. iii. Timely submit monthly reports to the Authority. iv. Ensure compliance with various laws and regulations applicable from time to time. v. Ensure availability and timely renewal of requisite permits, consents, and NOCs. vi. Set-up a complaint redressal mechanism and ensure timely resolution of complaints. vii. Hand over peaceful possession of the site to Authority, upon completion or termination of contract, without any encumbrances and liability whatsoever

UPSIDA will allocate land for secondary storage, processing and treatment. However, ownership of the land will remain with UPSIDA in accordance with the Uttar Pradesh state solid waste policy and applicable rules and regulations.

Proposed revenue streams are sale of end products from treated waste. Explore potential methods of compensating UPSIDA with mutual agreement from both parties.

The approval will be with the following conditions:

- i. The land assigned to the developer would not be used for any other activity expect for approved project activities.
- ii. The project proponent is not allowed to mortgage the land or take loan the land.
- iii. UPSIDA will not provide any funds for the establishment of plants.
- iv. Access road/ electricity/ water/ streetlight/ drainage/ sewer will be provided by the UPSIDA up to the outer boundary of the site/battery limit.
- v. The concessionaire will be entitled to sale or charge for the products and by-products produced in the process of E-waste management.
- vi. The Agency have to fulfil E-waste management rules-2016& E-waste amended rules 2018 and other applicable Government Norms.
- vii. The Agency have to obtain required permission from concern Department at his own.
- viii. In case of non-implementation of Plant within 03 Years, the land will automatically go back to UPSIDA. However, the ownership of land shall always remain with UPSIDA.
- ix. The concessionaire must submit an affidavit. If performance standards are not met after three notices, the concessionaire may be asked to vacate. UPSIDA reserves the right to reclaim the land.
- x. The concessionaire has to bear all electricity charge, water charge, running cost (Capex/Opex) within the site, site development & any other charge and tax liabilities at his own cost.

5. Participation Criteria for this EOI

UPSIDA is looking for participants who have innovative ideas and proven track record of in E-waste management. Participants could be startups, NGOs, private companies, and others.

Participants must present their ideas according to the specified presentation of interest outlined in Section 6. Additionally, participants are required to submit pdf versions of Form 1, Form 2, Form 3, Form 4, Annexure 1 and Annexure 2 in the formats provided in Section 8 along with the presentation to upsidaei@gmail.com

6. Presentation of Interest

Interested participants are kindly requested to submit their presentations in PDF format to the provided email address. The Presentation can be made in hybrid mode i.e. online & offline (whichever is convenient to the participants). The presentation should talk about the following aspects.

- i. Introduction and Company Overview:
 - Introduce the presenting company and provide an overview of its background, experience, and expertise in similar ventures.
- ii. Understanding of Scope of Work:
 - Demonstrate a thorough understanding of the outlined scope of work, emphasizing how the company plans to fulfil each component effectively.
- iii. Holistic Vision and Approach
 - Describe how your visionary approach aligns with the objectives of operational excellence, efficient processing, and treatment, establishing market linkages for by-products, resourceful ICT/ Digital Tools/Technology usage, Environment, Health and Safety Policy & Practice, compliance, and reporting.
 - Showcase your strategies for efficient labour coordination & management with other agencies working in UPSIDA, customer service, and conflict resolution considering active labour unions in UPSIDA Industrial areas.
 - Suggest Penal clauses for different Key performance Indicators.
 - Suggest number of years of contract for which tender can become viable.
- iv. Project Management
 - Present your strategic project management methodology that ensures efficient planning, coordination, and successful execution.
 - Illustrate how you will prioritize and implement project for maximum impact.
 - Indicative project cost and broad assumptions for various revenue and cost heads
- v. Balanced Infrastructure Evaluation
 - Explain your method of assessing current and future infrastructure needs, ensuring sustainability over a minimum 15-year timeframe.
 - Describe your data-driven approach to identifying gaps and proposing well-rounded solutions.
- vi. Resource-Optimized Planning
 - Present your innovative strategies for optimizing existing infrastructure in a way that enhances capacity and efficiency.
 - Demonstrate how you plan to integrate technology and eco-friendly practices for measurement.
- vii. Illustrative Case Studies:
 - Share relevant case studies from your portfolio that exemplify successful implementations of E-waste management at city level.
 - Showcase how your solutions have brought positive change to similar contexts.

7. Selection Process

The EOI is issued only with a purpose of collection of information from interested parties and UPSIDA reserves the right to proceed ahead with the Project. However, the applications received shall be reviewed carefully and interactions with the applicants will be likely scheduled before finalisation of Project terms and conditions.

8. Formats for submission of information

Form 1: Format for Covering Letter

[On the letterhead of applicant]

Date:

To,

General Manager

Uttar Pradesh State Industrial Development

UPSIDA Complex, A-1/4 Lakhanpur,

Kanpur-208024

Sub: Expression of Interest (EOI) for Comprehensive E-waste Management System for Collection, Transportation, Processing, and Safe Disposal in various Industrial Areas of UPSIDA

Dear Sir,

With reference to your EOI document dated _____, I/We the undersigned am/are hereby Expressing our Interest in Comprehensive E-waste Management System for Collection, Transportation, Processing, and Safe Disposal in various Industrial Areas of UPSIDA.

I/We understand that based on responses, the Authority shall finalize the concept and other requirements. Further, the issue of this EOI does not imply that the Authority is bound to appoint any applicant, as the case may be, for the Project.

I/We hereby declare that all the information and statements made in this Proposal are true and accept that any misinterpretation contained in it may lead to our disqualification.

(Name and Title of the Signatory)

In the capacity of

Name of the Entity: (To be left blank in case of individual)

Registered Address of the Entity: _____

Email ID:

Contact Number:

Form 2: Details of the Applicant

[Please capture all relevant information]

S. No.	Particulars	Details
1. (a)	Name of Entity	
(b)	Registered Address	
(c)	Postal Address	
(d)	Telephone/ Mobile No.	
(e)	E-Mail Address	
(f)	Type of entity	
(g)	Registration number of Entity	
(h)	PAN No	
(i)	GST Registration No.	
2	Details of individual(s) who shall serve as the point of contact for UPSIDA:	
(a)	Name	
(b)	Designation	
(c)	Address	
(d)	Telephone/ Mobile No.	
(e)	E-Mail Address	

Form 3: Format for Financial Capability of the Bidder

(Equivalent in Rs. crores)

Applicant* _____ *(Name of Bidder)*

FY	2021-22	2022-23	2023-24	Total	Average
-----------	----------------	----------------	----------------	--------------	----------------

Annual Turnover

Certificate from the Statutory Auditor

This is to certify that *(Name of the Bidder)* has received the payments and annual turnover as shown above against the respective years.

Name of the audit firm:

Seal of the audit firm

Date:

(Signature, name and designation of the authorized signatory)

The Agency should provide the Financial Capability based on its own financial statements. Financial Capability of the Bidder's parent agency/firm or its subsidiary or any associate agency/ firm will not be considered for computation of the Financial Capability of the Bidder.

* Bidder should fill in details as per the row titled Annual turnover.

Form 4: Engagement Experience

List projects in the last ten years which are similar to that in the EOI.

Assignment name:	Value of the contract (in current INR):
Country:	Duration of assignment (months):
Name of Employer:	Total No of staff-months of the assignment:
Address:	Approx. value of the services provided by your firm under the contract (in current INR):
Start date (month/year): Completion date (month/year):	
Narrative description of Project:	

(Along with the details the bidder is also required to submit the certificate of completion/ Work undertaken for each of the projects)

Annexure 1: Project conceptualization information including approach and methodology:

Provide per tonne rates

S. No.	Particulars	Details
1	Indicative space requirement for managing one tonne of E-waste	_____ Sq. Mtr
2	Proposed Lease rent for Land provided by UPSIDA	Rs. _____/Sq. Mtr
3	Fixed infrastructure required (type of civil/permanent structure with estimated area for packaging, sorting, storage; and area required for any other related activity to complete the process)	i. ii. iii. iv. v.
4	Proposed Technologies, Equipment, Processes to be deployed (with respective purpose). Space requirement and broad estimate of cost	i. ii. iii. iv. v.
5	Green/ Open area around the site	_____ % of the site area
6	Site layout and fixed infrastructure	Yes/ No
7	Manpower required to collect, transport and process e-waste from collection points	_____ persons for collection and _____ persons for operations of processing facility
8	Type of collection vehicles and number of vehicles to be deployed for collection and transportation of e-waste.	
9	Capacity of the processing facility	
10	Technology adopted and list of equipment and BOO	

S. No.	Particulars	Details
11	Approximate Operational cost (enclose break-up and assumptions)	INR _____ Lakhs per month
12	Approximate Capital (equipment/ machinery/ movable assets) cost	INR _____ Lakhs
13	Proposed price list for E-waste as per tentative price list in Annexure 2	
14	Interested in sharing profits with UPSIDA in the form of royalty	
15	Project Tenure	

Note: Each page of supporting documents should be duly signed by the applicant
